EVS32

Date: May 19, 2019 - May 22, 2019

Location: Lyon, France

Make an appointment now and meet us in Lyon!

The Electric Vehicle Symposium is one of the largest international exhibitions covering the topic of electric vehicles in the world. Comprehensively gathering state of the art technology and machines, EVS draws a large number of visitors to Kobe every year and is a prime location to showcase new and exciting technologies in the field of automobiles.

Germany Trade and Invest will be attending EVS 32 with our resident expert **Markus Hempel**. While visiting trade shows, we look forward to meeting with trade associations and businesses interested in current developments and opportunities taking place in Europe's biggest automotive market. Our experts will provide insight on electric vehicles, artificial intelligence, and connected technologies.

Venue

Euroexpo Lyon | 9 Avenue Louis Blériot, 69680 Chassieu, France

Our free-of-charge services for investors include:

- Consulting on individual market entry strategy
- Industry specific market data and statistics
- Information on the German tax and legal framework
- Information on finance and incentive options
- Active support in finding the best business location in Germany

All inquiries are treated confidentially and, since we are a publicly funded foreign trade and inward investment agency, all investment services are available free of charge.

We look forward to meeting you in Lyon!
