This session gives symposium benefactors and exhibitors the opportunity to present on the latest technology developments, partnership opportunities and other happenings in the industry. Attendees will hear from the companies and organizations shaping the future of transportation.

Please contact our industry experts to arrange an appointment in which we:

- introduce our company and its services.
- examine and discuss current trends and business opportunities.
- present FDI-opportunities for entering the German market.
- provide you with an overview of the public funding available.
- present the most recent developments and data on this market.

All inquiries are treated confidentially and, since we are a publicly funded foreign trade and inward investment agency, all investment services are available free of charge.

We look forward to meeting you in San Francisco!
