---

*Germany Trade & Invest* will participate and present at the BioJapan 2017.

Industry expert Dr. Sandra M. Bütow, Senior Manager for Medical Biotechnology, Pharmaceutical Industry segment at Germany Trade & Invest will be on hand to share her own experiences of successfully starting businesses in Germany, provide information about the current German business environment, and offer insights on creating effective partnerships with German firms, industry associations and institutions.

Make an appointment now in which we:

- introduce our company and its services,
- examine and discuss current trends and business opportunities,
- provide you with an overview of the public funding available,
- present the most recent developments and data on this market.

We look forward to meeting you in Yokohama!
