Make an **appointment for a one-on-one meeting** now in which we:

- introduce our company and its services
- examine and discuss current trends and recent developments in digital economies
- introduce the new de:hub initiative that aims to position Germany as a globally leading digital ecosystem
- talk about how you can become a part of the German ecosystem

On top of that, GTAI offers **investor-related services confidential and free-of-charge**:

- Market information & demographics concerning key German industries
- Information and non-binding consultation concerning legal, financial and tax issues
- Governmental investment incentives consultation
- identifying the most suitable and cost-efficient real estate & business locations in Germany

All inquiries are treated confidentially and, since we are a publicly funded foreign trade and inward investment agency, all investment services are **free of charge**. We look forward to your attendance and to meeting you in Cologne!
