We would be delighted to meet you and talk to you about the Digital Hub Initiative that aims to position Germany as a globally leading digital ecosystem. Combining the innovative approach of entrepreneurs and startup talents with the profound resources and skills of established enterprises, the initiative creates digital business opportunities and adds cultural and economic value to both established and growing businesses.

The Digital Hub Initiative links together various fields of technological and economic expertise, rooted in twelve digital hubs across Germany. Meet our team members, learn more about the German digital ecosystem and how that could fuel your business opportunities in Germany!

Make an appointment for a one-on-one meeting now in which we:

- introduce the Digital Hub Initiative with its twelve different hubs
- present the most recent developments in digital economies
- introduce you to some of the most exciting start-ups from our network
- examine and discuss current trends and how you can become a part of the German ecosystem
