

June 12, 2014, 12:00 PM – 1:00 PM EDT

## Healthcare Webinar: Explore Partnering and Funding Opportunities in German BioRegions

### Speaker

#### Dr. Claudia Englbrecht

Manager Public Relations | Biotechnologie-Industrie-Organisation Deutschland e.V.

### Curriculum Vitae

Claudia Englbrecht studied Biology at the Ludwig-Maximilian's-University in Munich, Germany where she also completed a doctoral degree in the field of molecular evolution.

After her postdoctoral research at the Institute for Bioinformatics at the Helmholtz Center Munich she taught cell biology, genetics, genomics and general biology at Old Dominion University in Virginia, USA. Additionally, she has been teaching genetics and bioethics online for the American Museum of Natural History in New York, USA since 2001.

From 2010-2012, she worked in the communication department of VBIO, an association for the academic community of biological sciences of Germany. Since 2013 she has worked at the Biotechnology-Industry-Organization (BIO Deutschland), an organization that represents small and medium sized biotechnology enterprises in Germany, where she holds the position of Manager of Public Relations.
