## Healthcare Webinar: Explore Partnering and Funding Opportunities in German BioRegions

### Speaker

**Stephen M. Novak, M.A., M.S.**

Managing Director | CBR Biotech Strategies GmbH

### Curriculum Vitae

Mr. Novak graduated from the University of Utah in Salt Lake City, Utah earning a B.S in Psychology with a pre-medicine focus. He completed an M.A. in International Affairs in 1992 from The Catholic University of America in Washington, D.C. and an M.S. in Information Resource Management with a Chief Information Officer Certificate in 2002 from Syracuse University in Syracuse, New York.

Steve spent 22 years in the U.S. Army as a career Military Intelligence Officer and retired from the Pentagon as a Lieutenant Colonel. He served in key positions in Washington, D.C., across the United States and world-wide and was responsible for numerous pivotal "Homeland" security initiatives. He worked directly for the Secretary of Defense, Dick Cheney, and other influential leaders, such as Colin Powell, the Chairman of the Joint Chiefs of Staff, while serving at the Pentagon in Washington, D.C.

He joined CBR International Corp.® in January 2011 as Vice President for Strategic Business Development. He is also the Managing Director for CBR Biotech Strategies GmbH.

German Bundestag.

Mr. Novak works directly with the CEO, the Executive Leadership Team and CBR senior staff members to ensure the day-to-day execution of strategic business development activities and client outreach.

Founded in October 2013, CBR Biotech Strategies GmbH, in partnership with CBR International Corp® and TruSubmit LLC, is a European-based company that specializes in providing corporate strategy for overall product development for the biotech, pharmaceutical and device industries. Mr. Novak's expertise and international network of experienced professionals focuses on supporting both U.S. and international clients with European Medicines Agency (EMA) and US Food and Drug Administration (FDA) pharmaceutical regulatory representation.

Consistent, concise and up-to-date analysis of your evolving needs is just the beginning of our commitment to your program.
