

Institute of Lightweight Engineering and Polymer Technology (ILK) in a Nutshell

Focus: Function Integrating Systems (Multi-Material Design)

<https://tu-dresden.de/ing/maschinenwesen/ilk>

- **Location: Saxony (City: Dresden)**
 - Distance to Berlin: 200 km
 - Distance to Munich: 460 km
 - Distance to Prague: 150 km
- **Available Office/Production Space on Campus:**
 - 6.500 m²
- **Annual Public Funding:**
 - 15 Mill Euros
- **Most Prominent Industry Partners:**
 - Rolls Royce plc.
 - Volkswagen AG
 - Siemens AG
 - ThyssenKrupp AG
- **International Cooperation with:**
 - Europe: UK, Poland
 - Global: USA, China, South Korea, Singapore
