

DACH HEALTHCARE INNOVATION SUMMIT 2023

2nd of March 2023 – Holiday Inn Munich - Westpark, Munich, Germany
IN PERSON/ +200 ATTENDANTS/ +35 SPEAKERS/ +6 HOURS NETWORKING
Language: GERMAN. Simultaneous translation: ENGLISH

INTRODUCTION

The digital revolution impacts on our healthcare systems and it is on us to understand how to use new data and technical solutions for a positive integration in medical, clinical and administrative workflows. Changes will accelerate as discoveries and knowledge advance in a feedback loop creating a constant debate between highest healthcare authorities. The DACH Healthcare Innovation Summit offers an open minded surrounding to connect and discuss the conversation of new ideas and necessary changes with those, responsible for the digital transformation of healthcare, experts in Artificial Intelligence and Big Data, those responsible for hospital infrastructures and medical equipment, and representatives of biotechnological and pharmaceutical therapeutic innovation.

MAIN TOPICS:

- Digital Transformation of Healthcare
- Artificial Intelligence and Big Data
- Pharmaceutical, Biotechnology and Therapeutic Innovation
- Smart Hospital (Equipment, Technology and Infrastructure)

TARGET AUDIENCE

Managing Directors, Directors of Information Technologies and CIOs and Directors of Pharmacy and Medicines of health services, Medical Directors, Heads of Service of large hospitals and responsible for the health ministries, federal states and cantons.

AGENDA

(*) speaker pending confirmation, subject to alterations

08:00h PRE-EVENT RECEPTION AND NETWORKING

- **Dr Christof von Kalle**, Chair for Clinical and Translational Sciences, Charité Berlin
- **Stefanie Kemp**, Chief Transformation Officer, Member of the Executive Board, Sana Kliniken
- **Marek Ryzewski**, CDO, Barmer Krankenkasse
- **Markus Holzbrecher-Morys**, Managing Director IT, Data Exchange & eHealth at Deutsche Krankenhausgesellschaft e.V. (DKG)*

Moderator: Dr Anne Sophie Geier, Managing Director, Spitzenverband Digitale Gesundheitsversorgung*

10:10h NETWORKING BREAK

PART TWO: ARTIFICIAL INTELLIGENCE AND BIG DATA

10:40h PRESENTATION

10:55h 3rd Panel: A Forward-looking View of Big Data and AI in the New Medicine

- **Rudolf Dück**, CIO at the University Hospital Schleswig-Holstein (UKSH), Head of the Information Technology Staff Office, Managing Director of UKSH Gesellschaft für IT Services mbH (ITSG), Managing Director of Gesellschaft für Informationstechnologie (GfIT)
- **Ralph Müller-Eiselt**, Director of Digitalisation and the Common Good at the Bertelsmann Stiftung
- **Dr Thomas Geiger**, Managing Director at Swiss Personalized Health Network (SPHN), Swiss Academies of Sciences (SAMW)
- **Dr Roland Eils**, Founding Director of the BIH Centre Digital Health, Charité Berlin

Moderator: Achim Berg, President of the Bitkom Association / Verbandspräsident of Bitkom*

PARTE THREE: THERAPEUTIC INNOVATION

11:45h 4th Panel: Progress in Therapeutic Innovation

- **Dr Lukas Lürken**, Head of Zentrum für Radiologisch-Interventionelle Onkologie (RIO), University Hospital of Regensburg
- **Dr Ulrich Keilholz**, Director, Charité Comprehensive Cancer Center (CCCC)
- **Dr Christiane Bruns**, Director of the Clinic and Polyclinic for General, Visceral, Tumour and Transplant Surgery, University Hospital Cologne (AöR)
- **Dr Evelyn Ullrich**, Head of Experimental Immunology at the University Hospital of the Johann Wolfgang Goethe University Frankfurt*

Moderator: Christine Vogler, President of the German Care Council e.V. (DPR)*

12:35h 5th Panel: Pharmaceutical Innovation and Access Challenges

- **Dr Karl Broich**, President, Federal German Institute for Drugs and Medical Devices (BfArM)
- **Dr Klaus Cichutek**, President, Paul-Ehrlich-Institut (PEI)
- **Dr Christoph Huber**, Co-founder of BioNTech, Professor emeritus of Hematology-Oncology at Johannes-Gutenberg University Medical Center Mainz

- **Thomas Dittrich**, Director of the German Pharmacists' Association (DAV)*

Moderator: Dr Mandy Wahlbuhl-Becker, Management Board, Bavarian Centre for Cancer Research (BZFK)*

13:25h NETWORKING LUNCH

PART FOUR: SMART HOSPITAL

14:30h PRESENTATION

14:45h 6th Panel: Smart Hospital: Innovative Equipment and Technologies

- **Manfred Führer**, CTO, Donaustadt Clinic, Vienna Health Association
- **Dr Konrad Karcz**, Head of Minimally Invasive and Robotic Surgery at the Department of Gen., Abd. and Transplant Surgery at the Ludwig-Maximilians University of Munich
- **Dr Thomas Ittel**, Chairman of the Board, University Hospital Aachen*
- **Dr Elmar Merkle**, Medical Department Head of the Clinic for Radiology and Nuclear Medicine, Head Physician Radiology and Nuclear Medicine, University Hospital Basel*

Moderator: Gabriel Flemming, Senior Manager Healthcare, Germany Trade & Invest

15:35h 7th Panel: Infrastructure: The Key to Improving Healthcare

- **Frank Dzukowski**, Head, Sustainability and Climate Management Unit, University Hospital Hamburg-Eppendorf (UKE)*
- **Dr Jens Scholz**, Chairman of the VUD, CEO University Hospital Schleswig Holstein*
- **Herbert Saurugg**, President of the Austrian Society for Crisis Prevention*
- **Dr Axel Ekkernkamp**, Managing Director Unfallkrankenhaus Berlin, BG Kliniken*

Moderator: Harald Schliemann, Chairman of the German Foundation for Patient Protection*

16:25h CLOSING REMARKS

16:30h END OF THE EVENT AND NETWORKING

CONFIRMED SPEAKERS

- **Dr Karl Broich**, President of Federal German Institute for Drugs and Medical Devices (BfArM)
- **Dr Christoph Huber**, Co-founder of BioNTech, Order of Merit of the Federal Republic of Germany 2022, Deutscher Zukunftspreis 2021, Honorary Member of the Austrian Academy of Sciences, Professor emeritus of Hematology-Oncology at Johannes-Gutenberg University Medical Center Mainz
- **Dr Klaus Cichutek**, President, Paul-Ehrlich-Institut
- **Dr Pedram Emami**, President, Ärztekammer Hamburg
- **Marek Rydzewski**, CDO, Barmer Krankenkasse
- **Dr Jochen Werner**, Medical Director and CEO at University Hospital of Essen
- **Dr Christof von Kalle**, Chair for Clinical and Translational Sciences, Charité Berlin
- **Dr Ulrich Keilholz**, Director, Charité Comprehensive Cancer Center (CCCC)
- **Dr Christiane Bruns**, Director of the Clinic and Polyclinic for General, Visceral, Tumour and Transplant Surgery, University Hospital Cologne (AÖR)
- **Dr Roland Eils**, Founding Director of the BIH Centre Digital Health, Charité Berlin
- **Dr Thomas Geiger**, Managing Director at Swiss Personalized Health Network (SPHN), Swiss Academies of Sciences (SAMW)
- **Stefanie Kemp**, Chief Transformation Officer, Member of the Executive Board, Sana Kliniken
- **Rudolf Dück**, CIO at the University Hospital Schleswig-Holstein (UKSH), Head of the Information Technology Staff Office, Managing Director of UKSH Gesellschaft für IT Services mbH (ITSG), Managing Director of Gesellschaft für Informationstechnologie (GfIT)
- **Dr Konrad Karcz**, Head of Minimally Invasive and Robotic Surgery at the Department of Gen., Abd. and Transplant Surgery at the Ludwig-Maximilians University of Munich
- **Ralph Müller-Eiselt**, Director of Digitisation and the Common Good at the Bertelsmann Stiftung
- **Dr Lukas Lürken**, Head of Zentrum für Radiologisch-Interventionelle Onkologie (RIO), University Hospital of Regensburg
- **Manfred Führer**, CTO, Donaustadt Clinic, Vienna Health Association
- **Gabriel Flemming**, Senior Manager Healthcare, Germany Trade & Invest

INVITED SPEAKERS

- **Claudia Moll**, Member of the Bundestag, Federal Government Plenipotentiary for Care
- **Dr Albert Rösti**, President, Committee for Social Security and Health (SGK), Member of the Federal Council
- **Dr Johannes Nießen**, Director of the Federal Association of Public Health Service Doctors (BVÖGD)
- **Robert Möller**, CEO, Helios Kliniken
- **Dr Mandy Wahlbuhl-Becker**, Management Board, Bavarian Centre for Cancer Research (BZFK), Erlangen
- **Dr Ute Teichert**, Head of Department for Public Health, Federal Ministry of Health of Germany
- **Hildegard Büning**, President of European Society for Cell and Gene Therapy (ESGCT)
- **Dr Anne Sophie Geier**, Managing Director, Spitzenverband Digitale Gesundheitsversorgung
- **Markus Holzbrecher-Morys**, Managing Director IT, Data Exchange & eHealth at Deutsche Krankenhausgesellschaft e.V. (DKG)
- **Dr Jérôme Gard**, Global Head of Digital Products at Fresenius Medical Care*
- **Christine Vogler**, President of the German Care Council e.V. (DPR)

- **Achim Berg**, President of the Bitkom Association / Verbandspräsident of Bitkom
- **Dr Jens Scholz**, Chairman of the VUD, CEO University Hospital Schleswig Holstein
- **Dr Elmar Merkle**, Medical Department Head of the Clinic for Radiology and Nuclear Medicine, Head Physician Radiology and Nuclear Medicine, University Hospital Basel
- **Dr Silke Rickert-Sperling**, Head of research group, Experimental and Clinical Research Center (EacCRC), Charité Berlin, author of “Zukunftsrepublik”
- **Dr Evelyn Ullrich**, Head of Experimental Immunology at the University Hospital of the Johann Wolfgang Goethe University Frankfurt
- **Dr Thomas Ittel**, Chairman of the Board, University Hospital Aachen
- **Dr Stephan Rohde**, Head of Digital Transformation & Policy, DAK
- **Henning Schneider**, Chief Information Officer (CIO) at Asklepios Healthcare Group
- **Harald Schliemann**, Chairman of the German Foundation for Patient Protection
- **Frank Dzukowski**, Head, Sustainability and Climate Management Unit, University Hospital Hamburg-Eppendorf (UKE)
- **Herbert Saurugg**, President of the Austrian Society for Crisis Prevention
- **Dr Axel Ekkernkamp**, Managing Director Unfallkrankenhaus Berlin, BG Kliniken
